

WELCOME
BACK,

I'm
home.

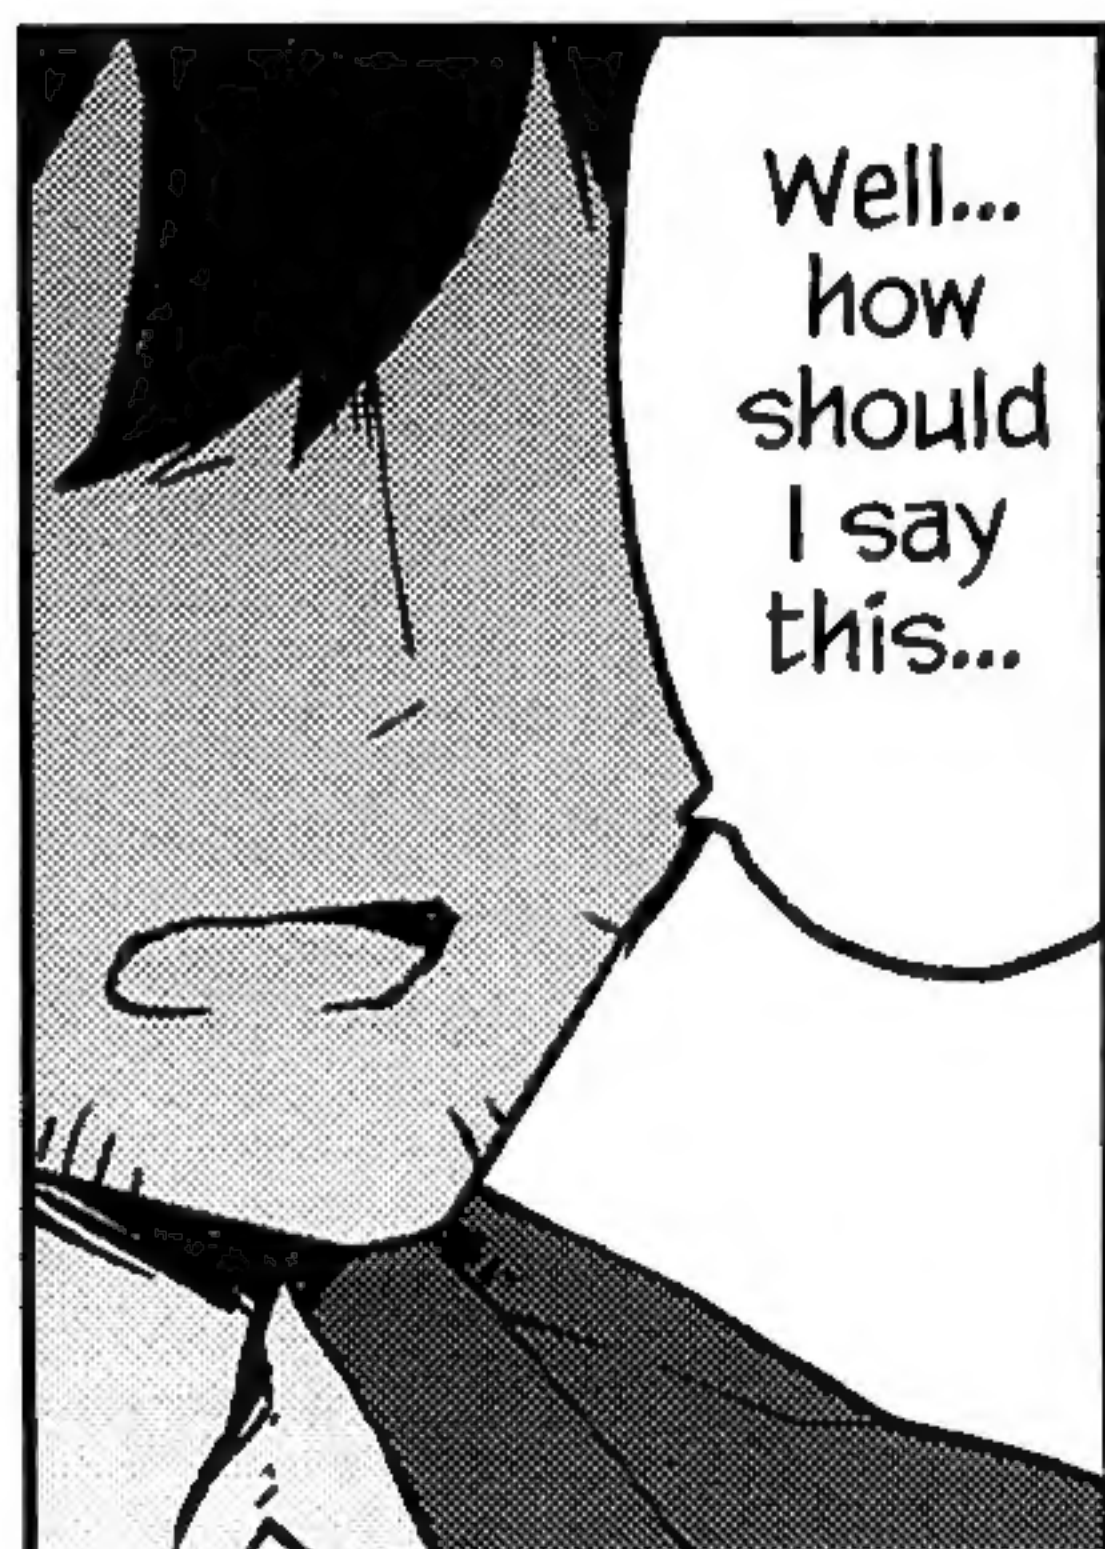

カ

MY
LORD.

Well...
how
should
I say
this...

but I like
how you
normally
are.

I'm glad
I could
see you
in a maid
outfit,

when I
don't feel
like I'm
home...

I can't
really
calm
down

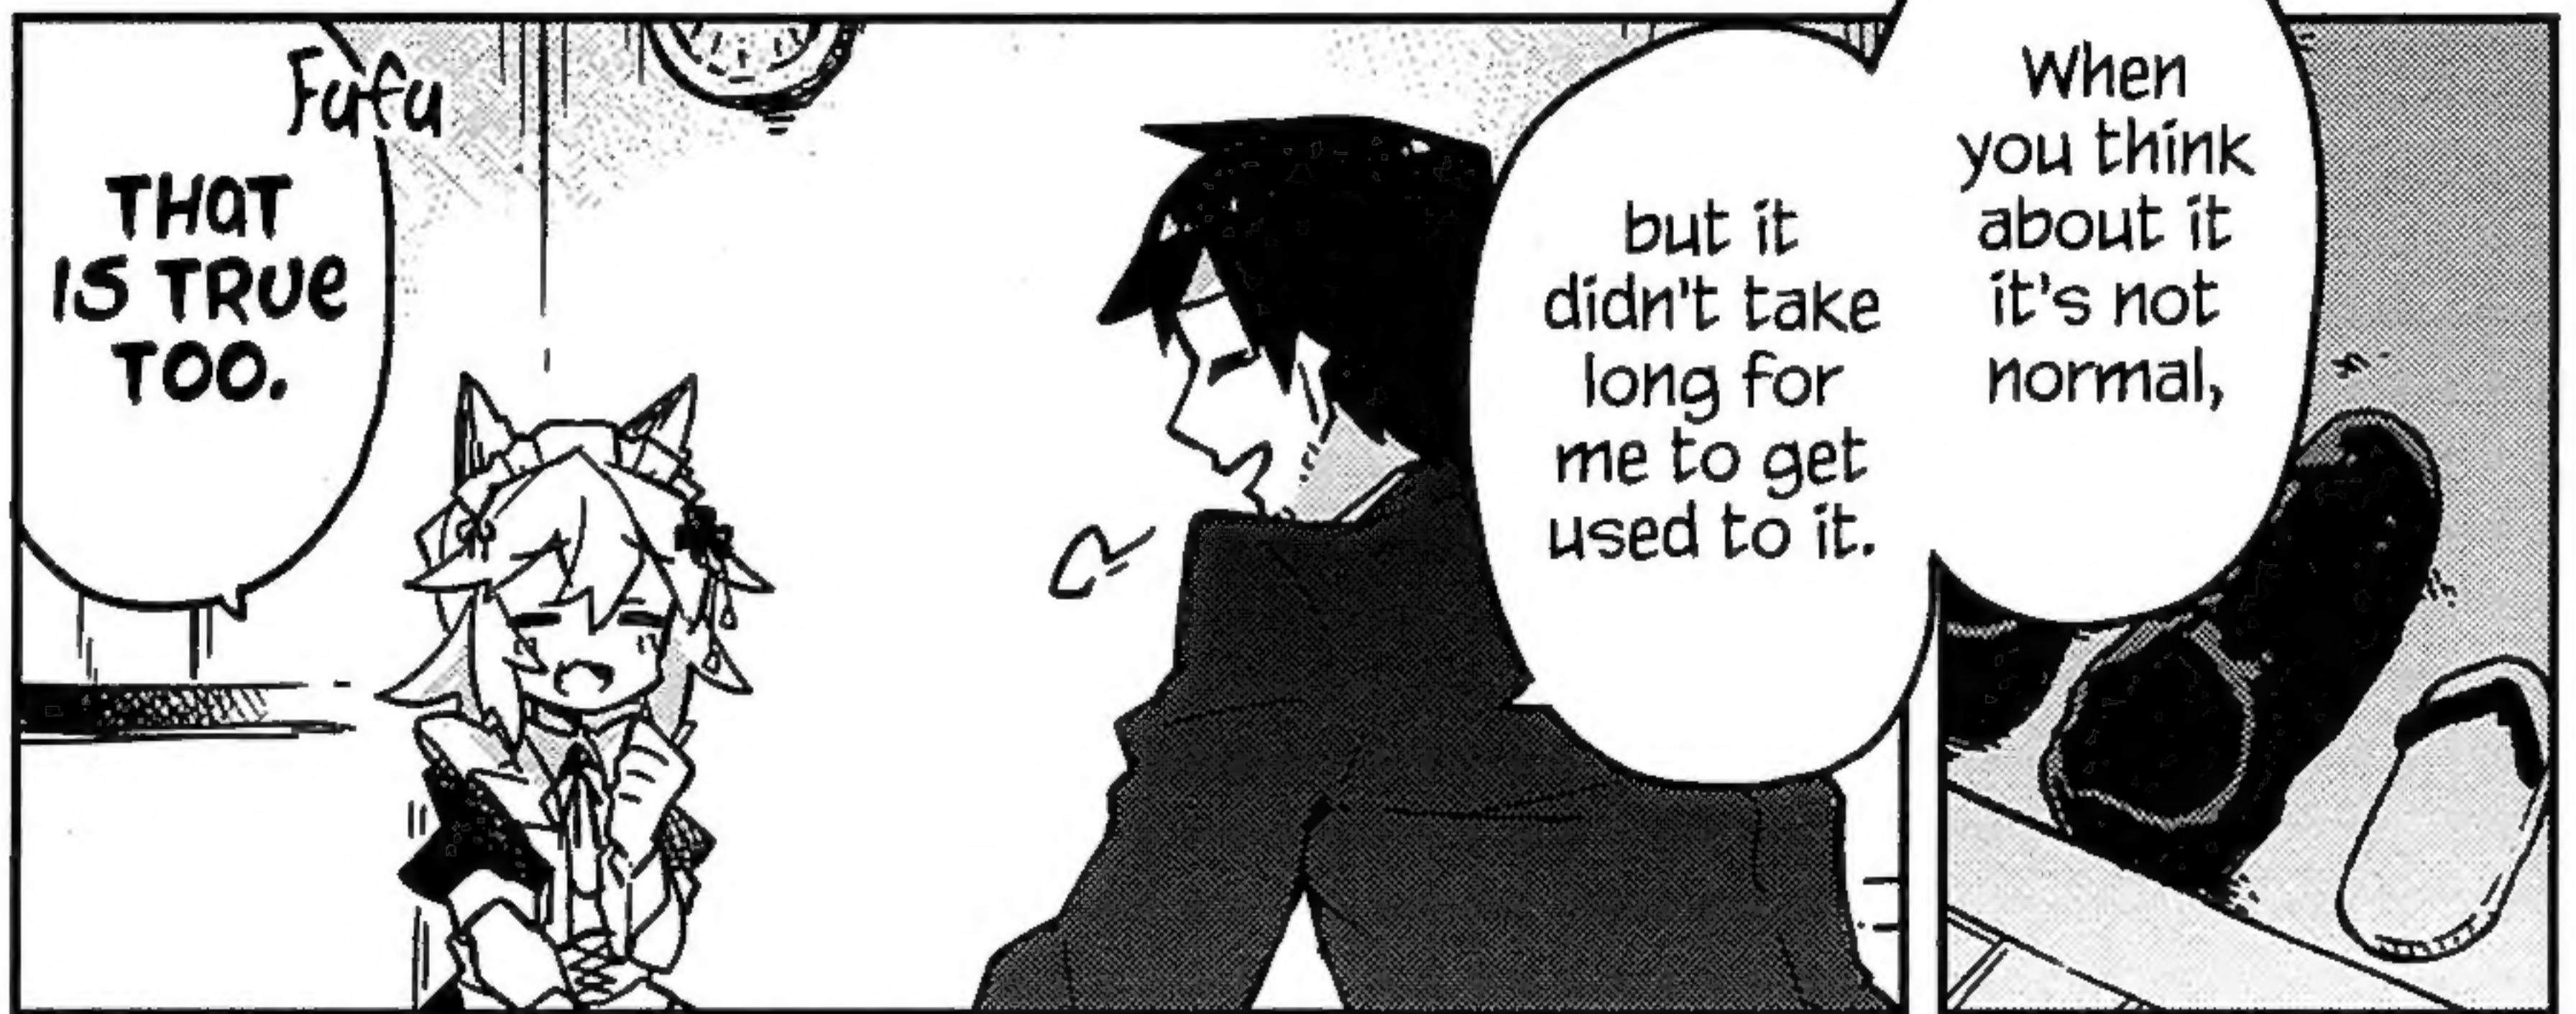

What
is it?

I am
a bit
happy.

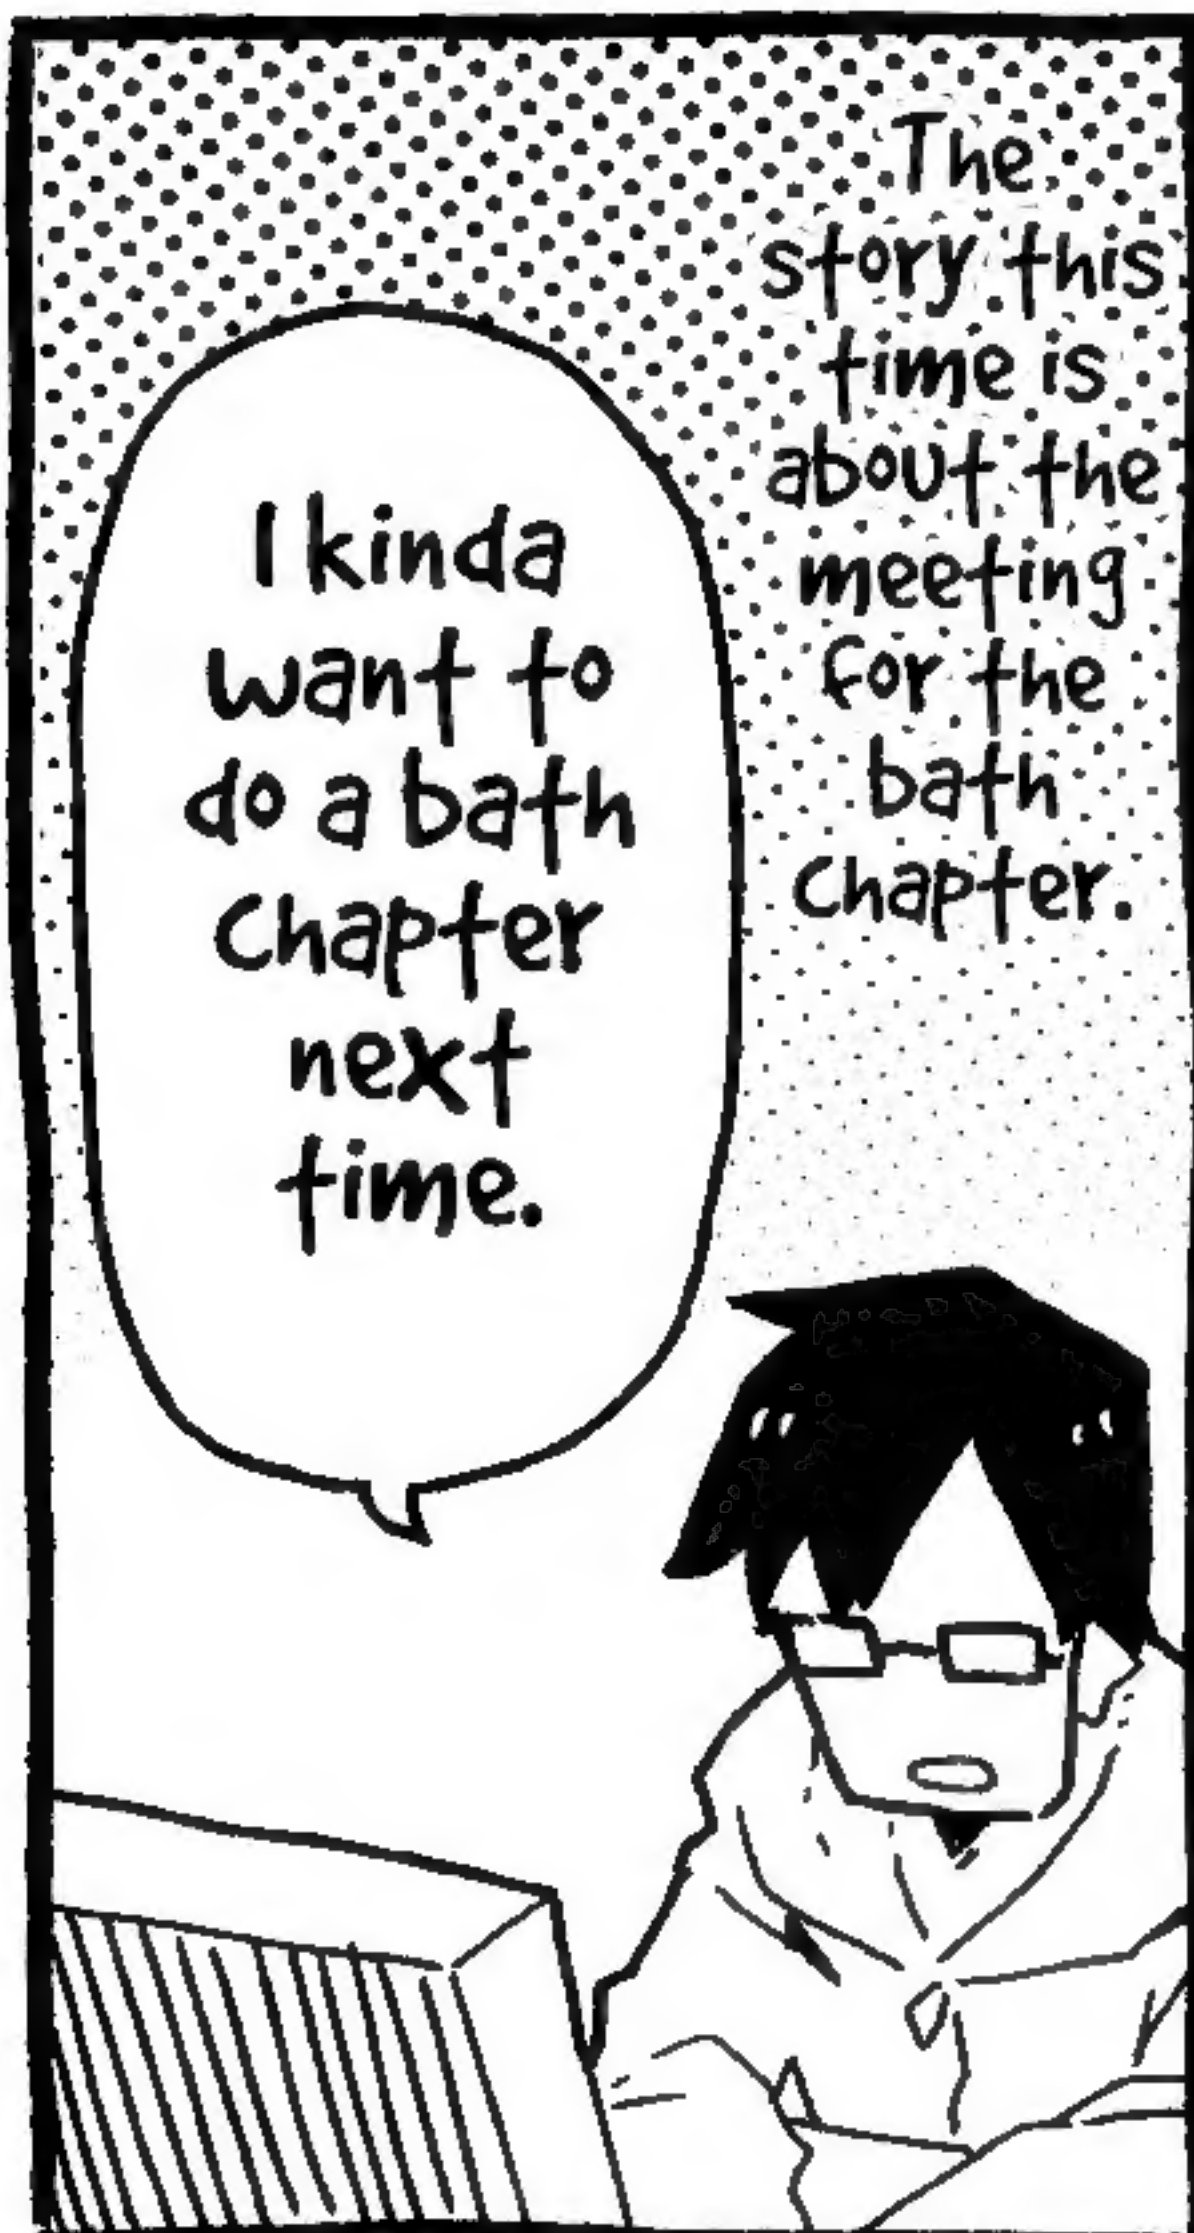

...
fufu.

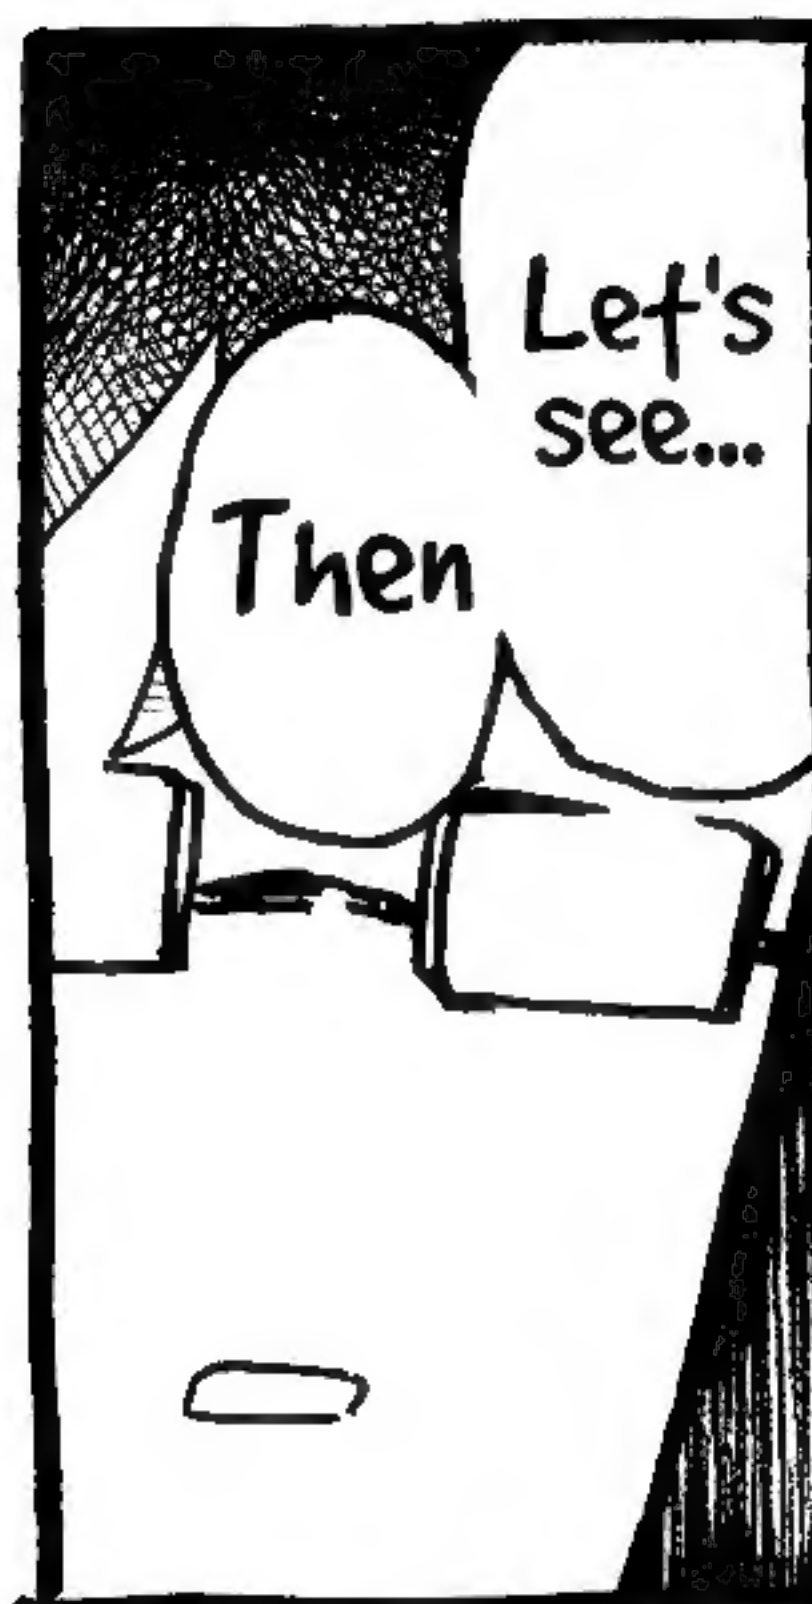

Afterword

The story this time is about the meeting for the bath chapter.

Thank you for buying volume two of 'Sewayaki Kitsune no Senko-san'

Good evening everyone, Rimukoro here.

It's the ninth tail next time, isn't it.

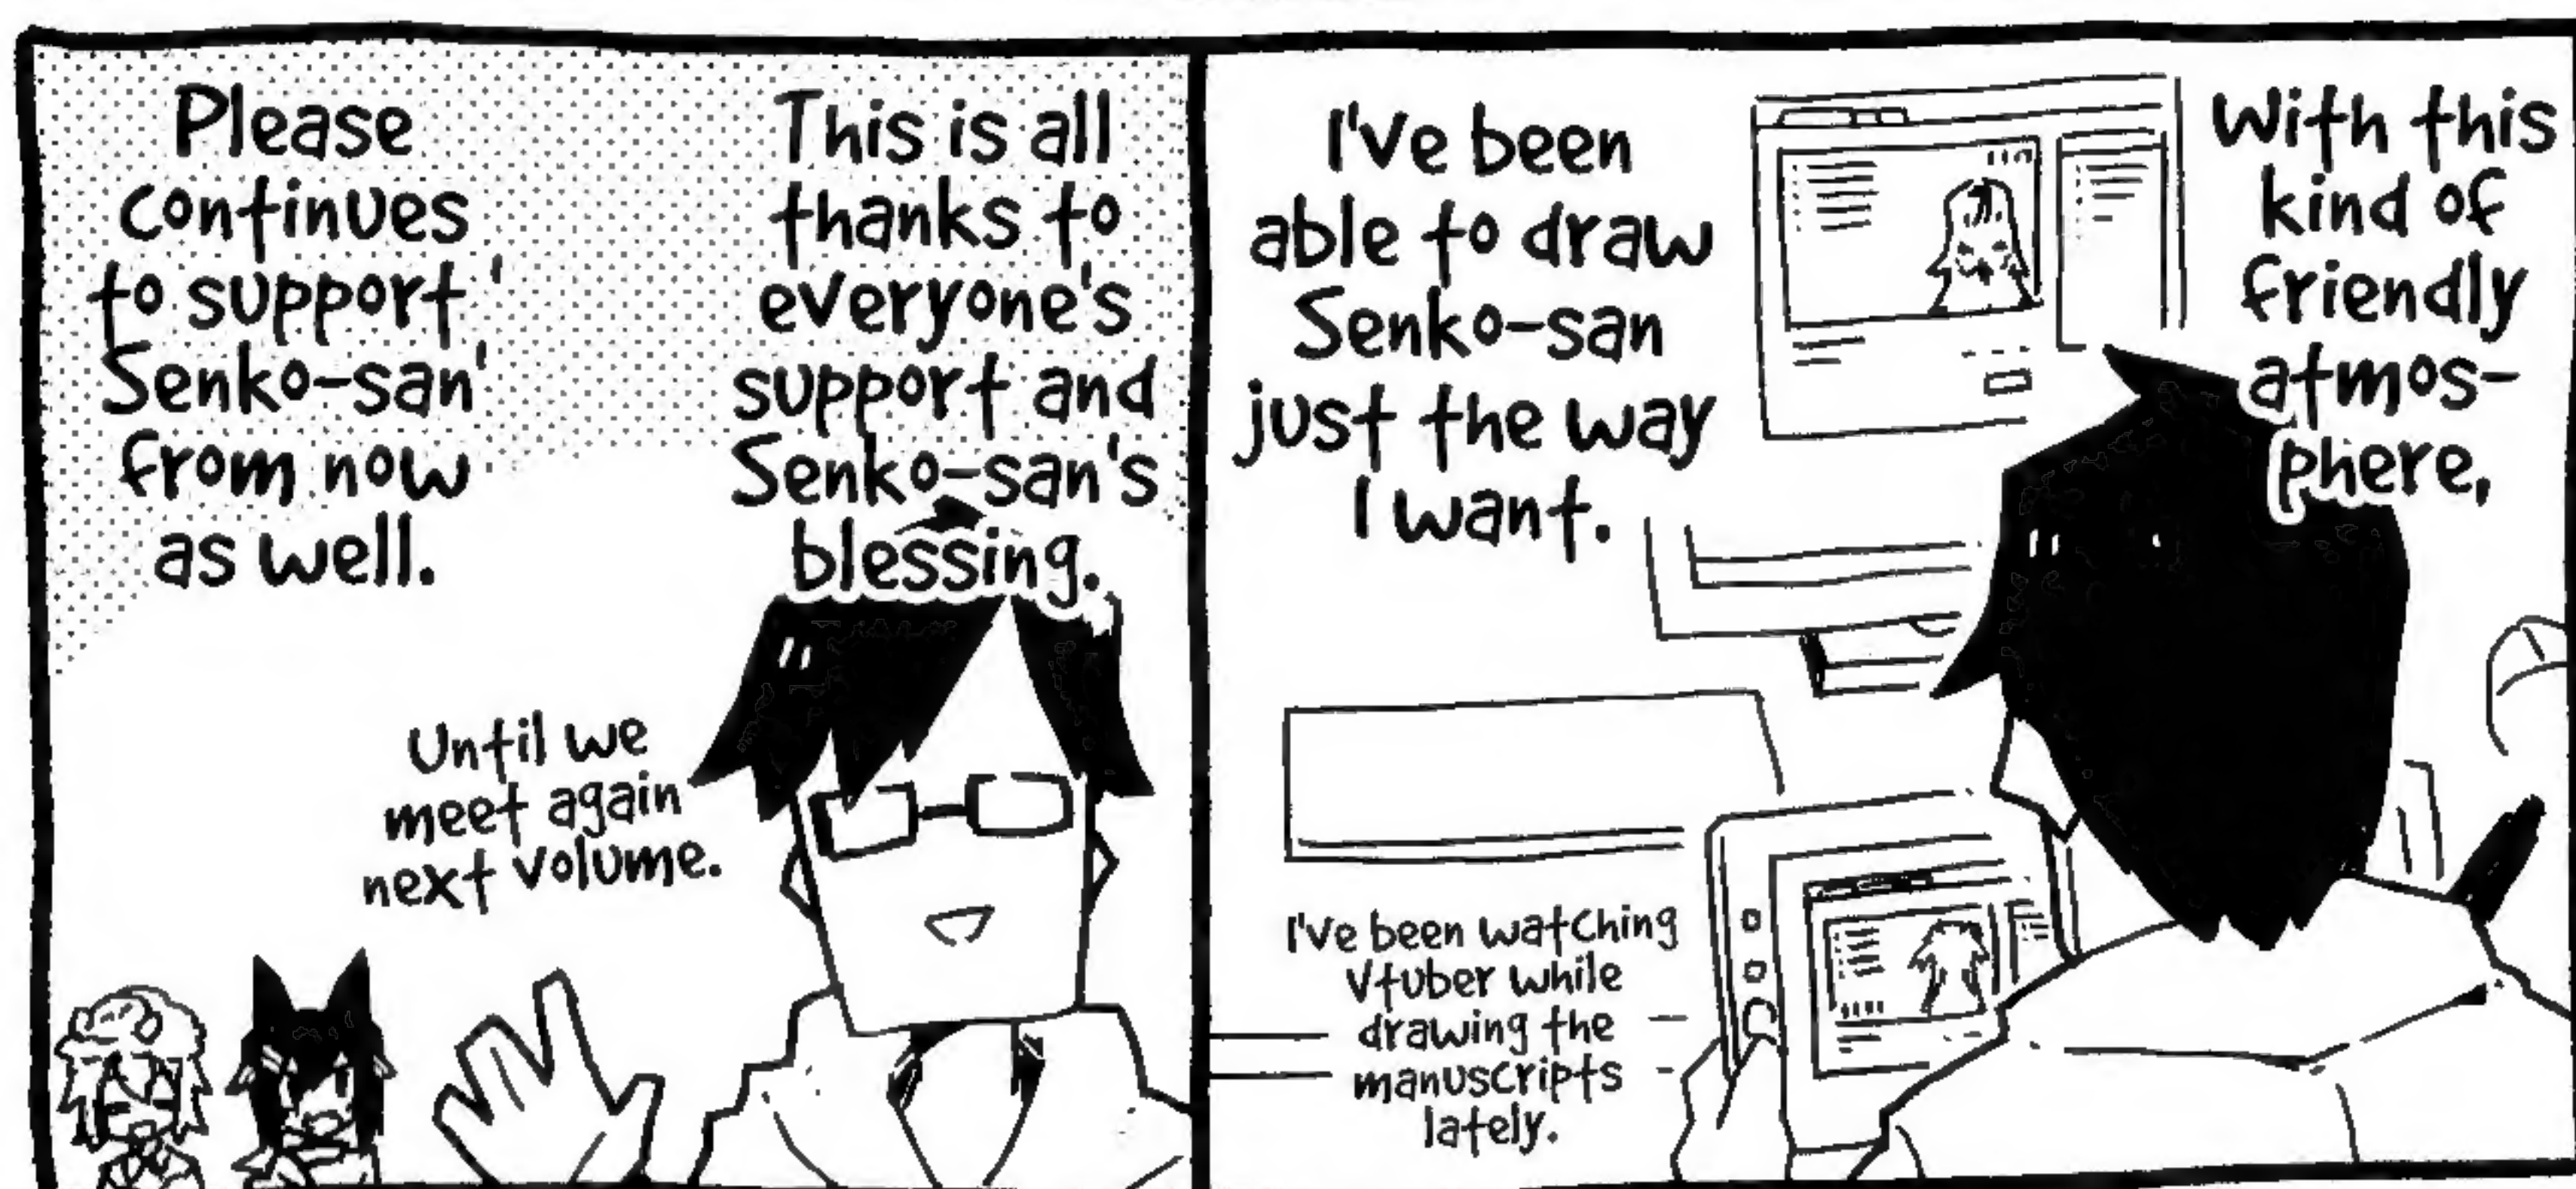

Ah~ I see.

It's kind of a special number for kitsune.

Hold on now. Next chapter is the ninth tail.

I asked my editor what they wanted for their stand-in and they said 'little girl'.

Senko-san's Secret

COMB for
grooming her fur /

As she grooms her fur often, the
comb's teeth are quite tough

The tail is an important part of
a Divine Messenger Kitsune.
As such, they spend a lot of time
pouring spiritual energy into it
and taking care of it everyday.
